

As a health and wellness focused business, Nutters Everyday Naturals top priority is to protect our customers and employees by adhering to all municipal and provincial regulations relating to Covid-19.

In addition to the legal requirements, Nutters will continue to follow its own internal protocols that have been in place since spring of 2020 including:

- Face shields or masks for all employees
- Masks required for all customers choosing to enter the store
- Hand Sanitizer in-store for customer use
- Social Distancing – 6 feet apart at checkouts and in aisles
- Plexi glass dividers between employees and customers at all checkouts
- Bulk products now sold only via gravity fed dispensers or pre-packaged options.
- Continuation of Safe Shopping Hour for seniors and immune vulnerable individuals during the first hour of each shopping day.

Nutters offers several ways for our customers to shop:

- Online order form at nutters.com enables you to provide a detailed order for the store location of your choice. Your order request is automatically directed to the appropriate location.
- Choose in-store pick up, curbside pickup, or free home delivery within the city.

Please be kind to our frontline workers. They are simply following the laws and corporate policies. Please respect and honor the health and safety of your fellow shoppers by following the rules and if in-store shopping presents a challenge for you, we hope the various alternatives we provide will get our products into your home with efficiency and convenience

Stay Well and Be Safe
